- Developing a News Web Page for real-time news update.
- **Single Page Web:** Web Page contain the single page architecture with selected category as required by user with scrolling bar animation.
- **Tech stack used:** React-js, HTML, CSS, JavaScript, React-router-Dom, Bootstrap.

## ACHIEVEMENTS & EXTRA-CURRICULAR ACTIVITIES

---

### ACHIEVEMENTS

- Proficient Coding Skills: Achieved strong coding competence despite a non-technical background.
- Research Paper Publication in IEEE Conference.
- During my school years, I Selected for School decorum manager in school Function.

### EXTRA-CURRICULAR ACTIVITIES AND HOBBIES

- Enthusiastic reader with a focus on technology and innovation literature.
- In my free time, I enjoy reading book and doing working new Ideas.
- I enjoy Experimenting with new technologies. I also stay up-to-date with industry trends by reading technical blogs.
